The Chaplain, Dr. Lloyd John Ogilvie, offered the following prayer:

Sovereign God, we thank You that we have the privilege of living in this land of freedom where we the people have the power to elect the President and Vice President of our Nation. This afternoon as we go to meet in the Chamber of the House of Representatives to count the electoral college votes, give us a renewed sense of patriotism for our Nation and the Constitution. We ask Your blessing of wisdom and strength on President Clinton and Vice President GORE as they are confirmed in this historic meeting according to the 12th amendment. God, continue to bless America. Amen.

RECOGNITION OF THE ACTING MAJORITY LEADER

SCHEDULE

Mr. LOTT. Mr. President, for the information of my colleagues, in just a few minutes the Democratic leader and I will be sending to the desk resolutions which make majority and minority party committee seat assignments for the 105th Congress. I want to again thank publicly, for the cooperation that we have received on this matter, both my colleagues within the conference and also Senator DASCHLE and his colleagues. I think it is not the usual situation that we can file these committee assignments this early in the session. I think it is going to help us facilitate our work early.

Following the adoption of these resolutions, the Senate will be proceeding to the House of Representatives in order to attend a joint session of Con-

gress for the counting of the electoral college votes.

Immediately following the conclusion of that joint session, the Senate will adjourn over until Tuesday, January 21. On January 21, the Senate will stand in recess between the hours of 12:30 and 2:15 in order to allow for the weekly party conferences to meet. At 2:15, Tuesday, January 21, Senators may begin to introduce legislation for the 105th Congress. However, no votes are expected to occur during the session of the Senate on Tuesday, January 21, 1997.

Mr. President, did the Democratic leader have a comment he wanted to make at this point on the committee assignments, or should we proceed with the resolutions?

Mr. DASCHLE addressed the Chair.

The PRESIDENT pro tempore. The Democratic leader is recognized.

Mr. DASCHLE. I thank the Chair.

Mr. President, let me also thank all of our colleagues. I want to thank our colleagues for their cooperation and the great participation we have had in getting us to this point as quickly as we have. I thank, as well, the majority leader for his cooperation on the work we have been able to achieve in getting to this point. I think these committees represent a very fair and accurate presentation of ratios as it relates to the membership of the Senate, and I am very pleased with the way our negotiations turned out.

INTELLIGENCE COMMITTEE RATIO CHANGE

Mr. LOTT, Mr. President, I announce to my colleagues that one of the resolutions just adopted relates to necessary committee ratio changes for the 105th Congress. I note this allows for an increase of one seat on the Intelligence Committee from both sides of the aisle. The Democratic leader and I are allowing for this increase in the size of the Intelligence Committee for this Congress only due to the great interest in serving on this important committee from Members on both sides of the aisle and also because of the seriousness of some of the matters they will be considering and wanting to make sure that we are complying with the statute.

One of the things we have been trying to do as we started this year is to take a look at what the rules are and what the statutes require and try to comply with that. The statute is clear about wanting to have at least two from the Armed Services Committee,

two from the Judiciary Committee, and two from Foreign Relations. I think it is particularly important that we have Members from the Armed Services Committee on Intelligence because so much of what they do has an Armed Services Committee relationship. In fact, the hearings on the funding for that committee, I believe, always have to report to the Armed Services Committee.

This change in the numbers will be only for this Congress, and then we will work in the next Congress back toward the statutory number of 8-7. We may want to come down maybe two steps, 9-8, but we should try to be in compliance with the statutes on the numbers as well as the committee jurisdiction and representation on that committee.

Again, I state that following this Congress it would be our intention to reduce the size, but we will do that only in working with the Democratic leader. This is the only committee, also, that only has a one-seat difference, and the statute requires that. All the others have two.

I wonder if the Democratic leader would like to comment on that?

Mr. DASCHLE, Mr. President, the majority leader and I have had a number of conversations about this particular issue, and I have discussed the matter in great detail with the ranking member of the Intelligence Committee. He shares the view, given the agenda and given the legal need to ensure the representation as is required by law, that only on a one-time interim basis an additional Armed Services Committee member needs to be placed on the committee.

As the majority leader has indicated, this is one time and one time only. This is an interim assignment. We intend to work with him to bring the committee size down to its legal, permanent size in the ensuing Congresses. So I urge people to recognize the intention here, and that is to accommodate the chair and the ranking member of the Intelligence Committee and to accommodate their agenda.

I am certainly in agreement with this approach and appreciate the opportunity to work through this particular matter as we have.

Mr. LOTT, Mr. President, I want to thank the Democratic leader for the attention he has joined me in giving to the Intelligence Committee. It is a very important committee, and I am not sure we have always given it the consideration that it should have, but we have done it this time. I am very pleased with what the result has been.

ADDITIONAL STATEMENTS

TRIBUTE TO CHESTER HERWITZ

• Mr. KERRY. Mr. President, I want to call the attention of my colleagues to Chester Herwitz, a resident of Worcester, MA, who on January 11 will be the sole American to receive the Indo-American Society Annual Award. The prominence of the two other recipients—Mother Teresa and Dr. Manmohan Singh, the former Finance Minister of India—attests to the prestige of this award.

Born in Swampscott, MA, Chester moved west within my State, eventually settling in Worcester. I have known Chester Herwitz for almost 30 years. He brings enormous passion, intelligence, energy, and integrity to his chosen field, contemporary Indian art. For more than 20 years, he has lent

works from his collection to dozens of museums in England, France, and the United States, including two in Massachusetts, the Worcester Art Museum and the Peabody Essex Museum in Salem.

I also applaud the good works of Chester and his wife Davida. In 1994, they established the Chester and Davida Herwitz Charitable Trust to support contemporary Indian art. In addition, Chester has served on the board of several charitable and social-service organizations in Massachusetts.

I am particularly proud that a great nation like India will recognize Chester's work. I trust that Chester will continue to enrich the cultures of both India and the United States.●

AM 1450 WMIQ

● Mr. LEVIN. Mr. President, I rise today to honor AM 1450, Iron Mountain and Kingsford, Michigan's Information Station. On January 25, 1996, the station will celebrate 50 years of continuous broadcasting and community service.

On April 4, 1946, the first organizational meeting of the Iron Mountain Kingsford Broadcasting Co. was held to license a new radio station for the area. William and Frank Russell, along with the Delta Broadcasting Co. and the Lake Superior Broadcasting Co., were the driving force behind this organizing group. The new radio station was to be a news station operated by the Iron Mountain News, the area's daily newspaper.

Construction on the broadcast facility began on November 14, 1946 and on November 21, the new station was officially named WMIQ, with William Goodrich serving as its first general manager. On Saturday, January 25, 1947, WMIQ began broadcasting at 8:00 a.m. Governors Sigler of Michigan and Goodland of Wisconsin both wired the station to offer words of congratulation.

During the past 50 years, programming has included national and local news coverage, the "Scandinavian Cheer Hour" broadcast from the Bethel Mission Covenant Church in Swedish, live musical performances, the WMIQ Playhouse and Sunday morning services from First Lutheran Church. WMIQ also has a long history of national and local sports coverage.

WMIQ ownership changed hands in 1968 when Jim Klungness and Charles Henry purchased the radio station. WMIQ currently has sister stations WIMK-FM in Iron Mountain and WUPK-FM in Marquette. WMIQ has been very active in the community over the years by supporting the Carling House for domestic violence victims, the Can-A-Thon food drive, the March of Dimes and Easter Seals.

WMIQ has been an integral part of the Iron Mountain and Kingsford com-

munities for the past fifty years. Its great work keeping the public apprised of current events has earned WMIQ the title of Michigan's "Information Station." I know my Senate colleagues join me in congratulating WMIQ for a half century of service to its broadcasting audience.●

HONORING THE ACHIEVEMENTS OF THE UNIVERSITY OF WISCONSIN-OSHKOSH

● Mr. KOHL. Mr. President, I rise today to pay tribute to the University of Wisconsin-Oshkosh. UW-Oshkosh is celebrating its service to the State of Wisconsin as an institute of higher learning for 125 consecutive years and will be concluding its celebration with a large community event on February 8, 1997.

The University of Wisconsin-Oshkosh has a rich tradition of serving the families of our State through dedication and devotion to the principles of higher education. UW-Oshkosh was founded in 1871 with an entering class of 43 students. During that time the university was mainly a teacher-training institution, producing thousands of teachers who contributed immensely to Wisconsin's leadership in education.

Today, as part of the distinguished University of Wisconsin System, UW-Oshkosh enrolls more than 10,000 students on its campus in Fox River, WI. The university's four colleges and graduate school offer a range of programs in education and human services, letters and science, business administration, and nursing. With a tradition of strong programs in the arts and sciences and in professional career fields, the university has created an environment that promotes excellence and values diversity. In the past several years faculty and students have created a blueprint for the university's future, including a vision statement and 11 goals. Mr. President, the blueprint has been working because for the third consecutive year UW-Oshkosh ranks in the first tier of Midwestern colleges and universities by U.S. News and World Report.

I hope that all of you will join me in congratulating the faculty, students, employees, and graduates of the University of Wisconsin-Oshkosh for all of their accomplishments during their 125 years of existence, and I know you will join me in wishing them well during the next 125 years.●

CALIFORNIA ASSEMBLY SPEAKER CRUZ BUSTAMANTE

● Mrs. BOXER. Mr. President, it is with great pleasure that I rise today to pay tribute to Cruz Bustamante, the newly elected speaker of the California Assembly.

Speaker Bustamante is a native Californian, born in Dinuba and raised in

the great Central Valley, where he still lives and represents the 31st District. He graduated from Tranquility High School and attended Fresno City College and California State University at Fresno. He has had a career marked by community service, having worked in various employment and training programs.

He understands his community well, having served on numerous boards and commissions including the Fresno United Way Allocation Committee, Burroughs Elementary School Site Committee, City of Fresno Citizens Advisory Committee and the Roosevelt Plan Implementation Committee.

In addition to his extensive experience in state and local government and organizations, he also has a firm understanding of the workings of Congress and the Federal Government. Early in his career, he served as a summer intern in former Congressman B. F. Sisk's office. He later worked as district representative for former Congressman Richard Lehman.

Cruz Bustamante is California's first Assembly Speaker of Latino heritage. He is a modern day pioneer. California is home to millions of Latinos and others of various ethnic backgrounds. Mr. Bustamante's speakership heralds new horizons for every Californian concerned with the future of our ever changing State.

So today, I ask my colleagues in the United States Senate to join me and Speaker Bustamante's wife Arcelia, their daughters and grandchildren, his colleagues, constituents and numerous other supporters in wishing him every success as he meets this challenge.

Cruz Bustamante has been described by Republicans and Democrats alike as an intelligent and able leader. He has said that his tenure as Speaker will focus on the needs of the people of California. I look forward to working with him on behalf of all Californians, and I look forward to a continuing story of success for California's new Assembly Speaker, Cruz Bustamante.●
